REPORTS OF COUNTY CONVENTION

Executive Committee Meeting
Merrimack County Court House
March 7, 1969

The Executive Committee of the Merrimack County Delegation held a hearing on the Budget for 1969 at the Merrimack County Court House on the above date.

Meeting called to order by Chairman Reddy at 10:10 a.m.

Members present were Chairman Reddy, Jr., Welch, Greeley, Fuller, Cheney and Gilman. Also present were Commissioner Perkins and Superintendent Lethbridge.

Supt. Lethbridge presented his budget which was explained and discussed by committee members. Time did not allow for a complete presentation.

Meeting adjourned to meet again on Tuesday, March 11th at the same place. Adjourned at 12:30 a.m.

Roland Fuller
Acting Clerk

Executive Committee Meeting
Merrimack County Court House
March 11, 1969

The Executive Committee of the Merrimack County Delegation met on the above date with the following members present: Reddy, Welch, Greeley, Cheney, Fuller and Gilman.

Commissioner Morgan and Supt. Lethbridge were present also.

Meeting called to order by Chairman Reddy, Jr., at 10:10 a.m.

Balance of the County Home budget was discussed.

The Executive Committee went into private session for general discussion of County Home budget and it was agreed to hold a meeting at the County Home on March 17th to have a personal inspection regarding several items in question.

Meeting adjourned at 12:50 p.m.

Roland Fuller
Acting Secretary

Merrimack County Home
Boscawen, New Hampshire
March 17, 1969

The Executive Committee of the Merrimack County Delegation met at the Merrimack County Home in Boscawen, N.H. on the above date for the purpose of touring the institution and holding a further hearing on the budget for this facility.

The meeting was called to order by the Chairman at approximately 10:30 A.M. following coffee. Members present were Reddy, Welch, Chase, Greeley, Fuller, Cheney, Gilman and Robinson.

Supt. Lethbridge conducted the tour pointing out improvements already made, as well as those requested in this year's budget. In addition, the committee also toured the Supt.'s home and a barn.

The meeting adjourned at about 12:15 with some members remaining for lunch.

Rep. Lila Chase
Clerk

Vice-Chairman Donald Welch requests no mileage as he attended during a trip on state business.

Merrimack County Courthouse
March 21, 1969

The Merrimack County Delegation Executive Committee met at the courthouse for further review of the County Home and jail budget. In the absence of the Chairman and Vice-Chairman, the committee convened informally at 10:40 A.M. Those members present were: Chase, Greeley, Fuller, Cheney, Gilman and Robinson.

The budget was discussed item by item, including 14 pay periods this year instead of thirteen. Various building improvements were debated with the possibility of suggesting other ways of accomplishing some items in the budget following

investigation. The meeting adjourned at noon.

Rep. Lila Chase

Clerk

Merrimack County Court House

April 7, 1969

Members of the Executive Committee met at approximately 10:15 a.m. to further discuss the county budget in regard to the Home, Hospital, Farm and Jail. Members present included Chairman Sam Reddy, Vice-Chairman Donald Welch, Clerk Lila Chase, Steve Greeley, Joseph Robinson, Roland Fuller, Charles Cheney and Wiggin Gilman.

Discussion of salaries and pay periods ensued. Some confusion existed due to the pay increase going into effect July 1, 1969, and involving 13 pay periods at old rate and 14 at new.

The question was raised as to whether the Herdsman Mr. Lampron was getting a rent-free house and maintenance. Supt. Lethbridge said he received a one-room apartment in the building free and his meals. His wife who works at the home as an LPN pays maintenance. Mr. Tibbetts was also said to receive full maintenance. This was estimated to be worth \$3,000.00 to \$3,400.00.

Superintendent Lethbridge was asked if he was paying some people less than listed and giving it to others or was he using money for some who worked less hours than scheduled and increasing someone else's salary. His reply to both queries was no.

Upon inquiry that Mrs. Tibbetts' (Matron) salary went from \$4700.00 to \$5700.00 which was more than 7%, Mr. Lethbridge stated it was a result of the state figure for such a job as being \$6,200.

Following discussion about the storm windows, it was decided to have the Superintendent get bids on the cost of such windows plus putting them on. There are 254 windows.

The budget was reduced to \$5,000.00 from \$10,000.00 and \$4,000.00 for office remodeling and room repairs (# 454). The Executive Committee felt it would not be possible to get to do

much of this work with all the other work presently underway.

Other items debated and reduced were: # 458 — new office furniture cut out; # 516 — cut to \$8,000; # 522 — cut undetermined; # 523 — reduce by \$2,000.00; # 541 — \$6,670.00, total lump sum reduction of \$25,000.00 was voted unanimously for cost of total nursing service; # 629 — \$2,000.00 to be cut off supplies; and # 721 — delete \$500.00.

Meeting adjourned at approximately 1:00 p.m.

Respectfully submitted,
Lila Chase, Clerk

Merrimack County Court House
April 10, 1969

Following adjournment of the general session, the Merrimack County Executive Committee met at approximately 2:00 p.m. in the Courthouse to continue discussions on the county budget. The question was raised as to whether all the money for repairs was needed if the new equipment requested was purchased (# 929).

Discussion of the new storage barn resulted in a motion by Mr. Robinson, seconded by Mr. Fuller, that this item be deleted. The motion carried. (# 917)

It was moved by Mr. Robinson and seconded by Mr. Welch that any action on the \$60,000.00 installation of the water system be deferred for two years and a study be made in the interim. The motion was unanimously voted.

Item # 790 was discussed with no changes made.

Further discussion centered on various expenses of county officers, such as certificates, dues and training. It was suggested that the \$800.00 under administration account # 107 Insurance, be checked, in light of the expenditure of \$530.30 for this last year.

Additional questions were raised in regard to accounts # 116 and 117 as to whether this covered everyone employed at the courthouse including parttime personnel.

The meeting adjourned at approximately 4:00 p.m.

Respectfully submitted,
Lila Chase, Clerk

Those present were Reddy, Welch, Chase, Fuller, Cheney, Robinson, Gilman and Greeley.

Merrimack County Court House
Concord, New Hampshire
April 21, 1969

The Merrimack County Executive Committee Meeting was called to order at 10:00 a.m. by Chairman Reddy. Present were Reddy, Greeley, Cheney, Gilman, Fuller, Welch, and Gilman. Also, Commissioners Perkins and Morgan were present.

This meeting was called by the chairman for a general discussion of the budget. No specific action was taken on any item. It was merely more or less for explanatory purposes.

The meeting adjourned at noon.

Respectfully yours,
Roland Fuller, Acting Clerk

April 24, 1969
Wildlife Room
State House

The Merrimack County Delegation met this date for the purpose of holding a public hearing on HB504 — providing for two medical referees in Merrimack County.

Following the roll call, a quorum was established as being present. Chairman Reddy opened the hearing with the first witness being one of the sponsors, Vice Chairman Donald Welch. Mr. Welch testified to the need for two medical referees, citing over 100% increase in population in the county in the last nine years, also the distance to be travelled from one end of the county to the other.

Discussion ensued as to whether there would be additional

cost for two Mr. Welch explained there would not, as referees operate on a fee basis.

Further discussion established the fact there would be no conflict if a person were to call a referee from the opposite end of the county from where the accidental death occurred, that the appointment on a geographic basis was for the purpose of convenience only. It was also pointed out that one medical referee would cover for the other in his absence.

Mr. Wiggin, the other sponsor, testified the doctors feel a second medical referee is badly needed.

Testifying on behalf of the doctors, Dr. Morin of Franklin, told the committee that his colleagues had been anxious for some time to have two medical referees. He stated that at present Dr. Paul Shaw covers the whole county and he cannot always be reached. He also said that logically if we had someone in the northern section of the county there would not be the delay there is now and he gave an example of a man who lay in the snow for several hours until the medical referee could get there. He further mentioned that the medical referee is paid per call and mileage. In response to questions, Dr. Morin replied that medical referees have to see only those who die accidentally or where foul play is suspected. They are also the ones who give permission to move a body. In reply to further questioning, Dr. Morin said he didn't believe there would be any question of division of authority.

Dr. Morin was thanked for his testimony on short notice and excused. The delegation went into executive session.

Rep. Cate moved and Rep. Burleigh seconded the motion to move "Ought to Pass". Following discussion, the motion was unanimously passed.

Rep. Fuller moved adjournment and Rep. Glavin seconded. It was unanimously voted.

Respectfully submitted,
Lila Chase, Clerk

Merrimack County Courthouse
May 6, 1969

The executive committee met in the morning this date to continue review and revision of the county budget. Those present were: Reddy, Welch, Fuller, Gilman, Greeley, Robinson, Cheney and Chase.

Discussion centered around the request of \$240.00 by Commissioner Al Ayotte to pay dues to the N. H. Association of Counties. The consensus of the committee was that this could result in a lobbying effort for County Commissioners which might conflict with the delegation. Gilman moved and Fuller seconded the motion that the request for \$240.00 for dues to the N. H. Association of Counties be denied. The motion carried. However, it was stated that the Commissioners were entitled to introduce the request at the general delegation meeting on the budget.

The question was raised by Welch as to who at the County Farm was supposed to be on maintenance. A check of the minutes disclosed that it was voted April 17, 1968, to provide only the superintendent with full maintenance. Chairman Reddy directed the clerk to write a letter to Supt. Lethbridge requesting answers to three questions: 1) Is the intent of April 17, 1968, regarding maintenance being carried out? 2) What is the anticipated income from the sale of the Superintendent's old car? 3) What is the condition (and safety) of the old elevator? (The superintendent was further directed to have the state inspect the elevator and make recommendations.) . . . Letter mailed May 6, 1969. Answer received May 10.

In discussing personnel at the County Farm and Hospital it was ascertained that Supt. Lethbridge usually has twelve to fifteen vacant positions than he's authorized.

Under account #820 (new) a \$5,000 expenditure was added to cover medical expenses of two prisoners who escaped and were seriously injured, according to a motion made by Welch, seconded by Cheney and voted unanimously.

Although Supt. Lethbridge requested \$4,000 be put back under account # 516, no motion was made to change the \$8,000.

Inquiry as to how many beds there were at the Farm and Hospital showed 215, with 194 filled as of that morning.

Under # 601 Welch moved and Fuller seconded that the amount be increased to \$321,000. It was unanimously voted.

In regard to #-522, the Chairman read a letter from the Supt. indicating that there are 40 pigs which would be worth approximately \$25.00 for two. Since the pigs are not saleable, but are edible, this could reduce the food budget by \$2500, but the Supt. requested that the amount be left unchanged as food prices were rising 5 to 7%.

Discussion of # 214 resulted in a motion by Welch and seconded by Robinson that the sum be increased to \$77,000. It was so voted.

A typographical error was noted under # 435, it should be \$600.00 rather than \$800.00.

The meeting adjourned at approximately 1:30 p.m.

Respectfully submitted,
Rep. Lila Chase, Clerk

Merrimack County Courthouse
May 12, 1969

The Executive Committee met at 10 A.M. to discuss the welfare budget with Mrs. Mary Osgood. Those present were: Reddy, Welch, Chase, Greeley, Robinson, Cheney, Gilman, Fuller and Commissioners Morgan and Ayotte.

The various categories of aid were discussed at length with Mrs. Osgood. She explained the reasons for increases or decreases, pointing out changes in federal law which were applicable, such as the new settlement law requiring only one year's residency now as compared to a five year residency previously and the lowering of eligibility requirements in order to receive surplus foods.

In answer to a question, Mrs. Osgood responded that all three accounts were paid to the state of New Hampshire by one check.

Under account # 235.2, it was noted that the county has been paying 50% and the towns and cities have been paying 50% since 1967. Under account # 235.3, the County pays 35% of the total grant. Under account # 235.4, it was pointed out that this included the disabled under 65.

Mrs. Osgood further explained that the percentage on foods

distributed by the N. H. Distributing Agency was reduced to 5% from 7½.

The committee felt there was a need for further investigation of the surplus food program.

Repairs to the boilers in the Courthouse costing \$271.44 were discussed. It was noted that there is presently \$350 in the contingency fund.

Further discussion of personnel resulted in Welch moving, seconded by Gilman and unanimously voted that Mrs. Shepard's salary be increased to \$5400 (account # 151).

In regard to # 154 the sum was increased to \$350; in # 157 the amount was increased to \$550.

Sheriff Parker was requested to give an explanation of the radio equipment needed. He responded that the three units he has now will be obsolete June 15, as the state police are going on a new frequency. Considerable discussion centered on the new frequency he would go on. It appears there are two secondary frequencies to the original one the state police will use and he wishes to be on the one with the other sheriffs. Under the new set-up some of the towns will be with the sheriffs and others will opt to be on a secondary one from the state police.

The meeting adjourned at noon.

Respectfully submitted,
Lila Chase, Clerk

Merrimack County Courthouse
June 9, 1969

The executive committee met at 10 A.M. to continue discussing the county budget. Those present included Reddy, Gilman, Fuller, Greeley, Robinson, Cheney, Chase. The 3 County Commissioners were also present.

Deputy Sheriff Ron Daniels explained the radio and antenna system (account # 159). Under the proposed new set-up the Sheriff will be able to contact all the deputies, jail, courthouse,

and seven other counties. Contact with the state police will be through re-transmittal. The cost of the new system is itemized as \$2250 in the budget, which Mr. Daniels felt would be enough, even though Wright Bros. gave an estimate of \$2400. It was also ascertained that there is no salvage value to the present units nor can they be made over. The three radio mobile units would be \$436 apiece and \$15 a month for the antenna system.

Robinson moved, Cheney seconded and it was unanimously voted that \$3,071. under # 159 for new equipment be accepted. (This is actually only \$250 more than voted, but not spent, last year.)

The question of \$600 for sheriff dept. uniforms was discussed with the result it was deleted from the budget.

Under account # 124, Commissioner Perkins explained the \$200 as the cost of drugs going up. Acct. # 122 was increased from \$50 to \$100 to cover the cost of dues for the County Attorneys Association.

Commissioner Perkins also noted that, Mrs. Bartlett wanted the county attorney's salary increased by \$750 to \$4750. Further discussion revealed the County Attorney actually wanted \$7500. Commissioner Perkins suggested a \$1000 raise. However, no action was taken.

In considering the surplus foods program now costing approximately \$100,000 for twenty-two commodities, Robinson moved, Gilman seconded and it was unanimously voted to add \$8,350. to the total to: purchase through the state a delivery van for \$1850, hire a driver (who can also keep records) at \$3500 for half a year, purchase an air cooler for \$2000 and build a cold cellar with bulkhead for \$1,000. at the courthouse. It is anticipated that these changes and additions will improve the handling of the surplus foods program and free Mrs. Osgood to do social welfare work.

Mr. Greeley commented that Supt. Lethbridge told him that he is unable to get anyone from the State to come up and inspect the old elevator.

The meeting concluded with the decision to hold a public hearing on the county budget at the Merrimack County Home in Boscawen at 9:30 A.M., June 23, 1969. The clerk was instructed to carry out all legal and proper notification of the meeting.

Upon motion of Fuller, seconded by Greeley and unanimously carried, the meeting adjourned at noon.

Respectfully submitted,
Lila Chase, Clerk

Merrimack County Home
June 23, 1969

On this date at 10 A.M. the three County Commissioners and 29 members of the delegation (see roll call in book) met to go over the entire county budget and act on it.

Supt. Lethbridge reviewed the budget for the Hospital, Home, Farm, Jail, and House of Correction and answered questions in regard to various items. Facts brought out included: 1) the help is charged \$.50 a day for one meal whether or not they actually eat at the home. 2) The laundry now operates six days a week instead of seven. 3) The request for \$13,070 under # 541 was for two housekeepers — it was cut by the Executive committee to \$6,670.00. 4) The \$321,000. under acct. # 601 for other nursing staff does not reflect a 7% increase. Mr. Lethbridge lost a nurse of long standing to Havenwood at \$.20 more per hour. 5) There is no registered pharmacist at the Home — Supt. Lethbridge is unable to get one — so certain drugs are procured by prescription and the rest are under the protection of the director of nurses, according to law. 6) There is a lack of trained personnel to conduct rehabilitation at the Home, but the House of Correction has a limited program. 7) The guards' pay was increased 5%, not 7%. Although the budget allows for 10 fulltime and 2 parttime guards, at the present time there are 8 fulltime and 2 parttime. At the moment the number of prisoners has dropped from 45 to 30. 8) Account # 820 reflects the medical and hospital expenses for two escaped prisoners, should the county be liable for them. Every effort will be made to secure payment through other channels such as Medicaid. 9) Account # 901 reflects a new item for a person to show cattle at the various fairs. 10) Account # 239 should show \$1500 for the sale of the Supt.'s auto. 11) The old dump truck will not be sold, but kept for spare parts etc. 12)

According to a study made by UNH and depending on the figures used, the farm operation and income break about even or have a \$20,000 differential. The study recommended the farm should carry on for the benefit to be derived by those helping on it.

Discussion over the inclusion of \$240 under account # 102.1 for dues to the N. H. Association of Counties centered over the advantages and disadvantages of such membership. Chairman Reddy explained the position of the Executive Committee was that it could result in a lobbying effort in opposition to the interest of the delegation itself. Commissioner Perkins explained the value of the research and other services done by the organization. On a show of hands, at the request of the Chairman, to keep this in the budget the count was 14 to 14 with the Chairman casting the 15th vote to delete it. Rep. Roger Smith requested the record show he was opposed to paying the dues.

Later in the meeting Rep. Bartlett moved, seconded by Rep. Hanson, and carried that "Item # 102.1 \$240 dues for N. H. Association of Counties — be reconsidered." Under discussion Rep. Hanson mentioned how helpful some of the information supplied by the Executive Director had been to his committee. It was further brought out that this gentleman had spotted federal funds for county use in Hillsborough which would otherwise have gone unnoticed. This office has been in existence since January 1, 1969, and the man filling it serves in the dual capacity of that and business agent for the Hillsborough County Commissioners. Rep. Hanson moved that: "The Merrimack County Delegation accept \$240 in the budget for dues to the N. H. Association of Counties." Rep. Bartlett seconded the motion and it carried by a vote of 16 to 12. (The dues is based on county population and pays the salary and other expenses of the Executive Director. In the case of Merrimack County, it is 10%.)

The question was raised by Rep. York as to whether the \$5000 approved 3 or 4 years ago for a county system was being done. Supt. Lethbridge said Mr. Rich, the accountant, had been working on it right along.

Under Register of Deeds, account # 131 (salaries) covers three fulltime and one parttime personnel. New equipment (# 139) includes a typewriter, desk, and humidifier.

Register of Probate — account # 149 for new equipment

includes new furniture for Judge Cushing's office.

Sheriff's department items were questioned at length. Account # 151 (salaries) includes \$2000 for the Sheriff and the balance (\$5,745) for his secretary. The subject of new uniforms was discussed with the explanation the amount of \$600 for them had been deleted by the Executive Committee. Badges and a new camera were touched upon briefly. The subject of a new communication system caused the most discussion. It was explained that the Sheriffs could no longer remain on the same frequency as the state police. Moving to a new frequency involves all new equipment with the total cost of \$3,071.50. This includes three mobile radio units and an antenna rental system. Members questioned the high cost with the result a footnote was added to the motion to accept the budget that the money not be expended for this equipment without the approval of the Executive Committee. (See motion.)

Mention of increasing the County Attorney's salary was made with no action taken.

In regard to the courthouse, account # 188 and 188.1 refers to repairs to the photostat room and one of the two boilers. It is anticipated that the courthouse will run out of space within five years. Certain areas now are overcrowded.

Several areas of public welfare were discussed as itemized. In general the change in the settlement law from five years to one accounts for much of the increase.

Upon completion of the review, Rep. Hanson moved, seconded by Rep. Smith that "The budget be accepted in the total amount of revenue of \$1,540,011.84, with the total amount of revenue from all sources except taxation \$679,985.90 and the amount to be raised by county tax \$860,025.94 and further, that the amount of \$3,071.50 appropriated for new equipment for the Sheriff's department not be expended without the approval of the Executive Committee." The motion was unanimously voted.

Information concerning annual and sick leave for county employees was handed out for the perusal of the delegation. It will be voted upon at a later time.

The water situation was discussed resulting in a motion by Rep. Robinson, seconded by Rep. Goff that "The Chairman appoint a Committee of five to study the water problem and

make recommendations for next year's budget." The motion carried.

Rep. Newell moved, seconded by Rep. Glavin that "the meeting adjourn" at 12:30 P.M. It was unanimously voted. Following the meeting the delegation members were guests of the Home for lunch.

Respectfully submitted,
Lila Chase, Clerk

Merrimack County Courthouse
July 14, 1969

The Merrimack County Executive Committee met at 10 A.M. this date to take care of business needing immediate attention. Those present included Chairman Reddy, Cheney, Gilman, Robinson, Greeley, and Chase.

Following discussion, Rep. Gilman moved, seconded by Rep. Robinson and unanimously voted that, it being anticipated that the sum of Seven Hundred Seventy Five Thousand Dollars (\$775,000.00) will be needed during the fiscal year ending December 31, 1969, to meet the demands upon the County Treasury which there is insufficient money to meet, the Treasurer is hereby authorized to borrow Seventy Five Thousand Dollars (\$75,000.00) in addition to the previously authorized borrowing of \$700,000.00 in anticipation of taxes as such funds are needed during said year upon the order of the county commissioners pursuant to R.S.A. 29.8.

The second item on the agenda was discussion of the sum of \$1850 included in the budget for a new van. This amount now appears inadequate, as the lowest estimate is set at \$2,200. Bids will be open Wednesday, July 16. Rep. Greeley moved, seconded by Rep. Cheney, and unanimously voted that, authorization is granted to transfer as much as \$500.00 from some other account toward the purchase of a new van.

Rep. Chase mentioned the proposed program for annual leave and sick leave for Merrimack County Employees. Chairman Reddy said he would speak to Supt. Lethbridge about it as no

action has been taken by the delegation.

The meeting adjourned at 10:40 A.M.

Respectfully submitted,
Lila Chase, Clerk

Merrimack County Courthouse
Concord, N.H.
October 20, 1969

The Merrimack County Executive Committee Meeting was called to order at 10:10 A.M. by Chairman Reddy. Present were Reddy, Cheney, Greeley, Robinson, Fuller, Gilman, Chase, Commissioners Perkins and Morgan and Superintendent Lethbridge.

The Chairman noted that he had appointed Rep. Cheney as Vice-Chairman to fill the vacancy left by the death of Rep. Welch.

The subject of desks and chairs for the office of the Register of Deeds was discussed, resulting in the motion by Fuller, seconded by Greeley that "Kathleen Roy, Register of Deeds, be authorized to transfer \$1,000. from Salaries Account to the New Equipment Account in order to purchase desks and chairs for the office of Register of Deeds." The motion carried unanimously.

Supt. Lethbridge spoke on the proposal of annual leave, sick leave and legal holidays for Merrimack County employees. He noted four changes from that which was originally given to the executive committee last May. They are: 1) the inclusion of legal holidays; 2. under section 2.(b). when a holiday falls on a Saturday or Sunday, Friday or Monday will be observed as the holiday; 3. under section 4.2.g. three years changed to one and 4. under section 7. "expectancy" changed to "expected delivery date". Gilman moved, Fuller seconded that "The Executive Committee accept the report with amendments as proposed by Supt. Lethbridge on annual leave, sick leave and legal holidays for Merrimack County Employees." The motion was passed unanimously.

Deputy Sheriff Ron Daniels was requested to explain the

status of the new radio, mobile units requested by the Sheriff's department. At the present moment he said there is no radio communication — they call the office every half hour — as the state police took them off October 13. In response to a question, Daniels said they wanted to be with other sheriffs and be able to contact all county spots. He explained the Wright Bid for reconditioned equipment was \$2481, but Motorola was investigating through the Crime Commission the possibility of Federal Aid in the amount of \$3,000 or better which would make it possible to purchase new equipment from them with \$2250 of county funds. An answer from the crime commission is expected this week. It was noted by the Chairman that the sub-committee investigating the sheriff's radios were unanimously agreed not to exceed \$2250.

It was brought to the attention of the committee that Rep. Enright had requested mileage payment for his work on the sub-committee. Commissioner Perkins stated there was no provision in the statutes to allow this.

Another item on the agenda included discussion of paving in six areas at the County Home and the homes of Supt. Lethbridge, Tibbetts and Cate. Supt. Lethbridge said there was \$34,000. left in the new building fund and requested that approximately \$10,000 of it be used for hard-topping. Greeley moved, Robinson seconded the motion that "Superintendent Lethbridge proceed with the proposed paving for a cost not to exceed \$9,500, subject to the approval of the County Attorney that it is legal to use some of the surplus in the building fund." The motion carried five to one.

Further business considered the point of information offered by Supt. Lethbridge that one department, nursing services — salary account, was going to exceed its budget by approximately \$14,000. However, in the overall budget there will be an estimated \$20,000 surplus which will more than offset the deficit in nursing services. Contributing to the deficit are the facts the \$204,000. was not enough to begin with, the bed capacity is filled (216 out of 226, with 5 of those not completed) and there is almost a full staff. It was also mentioned that three years ago it was voted not to allow a transfer from one account to another without the approval of the Executive Committee.

Superintendent Lethbridge spoke of the big 250 lb. load

laundry machine at the Home which broke down Friday morning. Maintenance was able to get it running again on one wheel, but it could go again at any moment. He suggested it be replaced with two 100 lb. load machines and one 85 lb. extractor, keeping the two old extractors as well. They would be purchased on the basis of payment after the first of the year since there is no provision in the present budget for such an expense — the estimated cost being \$9,310. He was instructed to investigate the possibility of getting new gears for the existing machine.

Discussion over whether the county is liable for medical and hospital expenses of two escaped prisoners, Wayne Cox and Roland Fleury, injured in an automobile accident, resulted in the motion by Fuller, seconded by Gilman that "The matter be taken up with the full delegation in regard to paying the medical and hospital expenses of the two escaped prisoners, Wayne Cox and Roland Fleury". It was unanimously voted.

Upon inquiry, Supt. Lethbridge said sixty storm windows on the north side had been installed so far. Due to a window miscount on the part of the contractor \$6200, as approved in the budget, was not enough to do all the windows — the bid came back at \$9200, after an accurate count.

Gilman raised the question of a pay raise for the two county doctors. Dr. Morin had inquired of him in regard to it. It was established that the \$7600 in the budget was to raise each from \$50 a month to \$100, plus \$100 a week for Dr. McLeod.

Mention was made that the truck for surplus foods cost \$2250. \$1850 was appropriated in the budget, with the authority to go \$500 higher, if necessary. The new cooler cost \$1875.

On motion of Fuller, seconded by Robinson and so voted, the meeting adjourned at 12:05 P.M.

Respectfully submitted,
Lila S. Chase, Clerk

REPORT OF THE COUNTY COMMISSIONERS,

To the Citizens of Merrimack County:

In accordance with the Revised Statutes Annotated, as amended, the Board of Merrimack County Commissioners herewith submit the annual report of the Commissioners along with the Treasurer, Superintendent of the County Home and House of Correction, Farm Physician, Clerk of Superior Court, County Attorney, Chaplains, Sheriff, Auditors and County Extension Service for the year ending December 31, 1969.

The activity of each department is reported in detail in this report. The persons in charge of these departments will furnish any further detailed information desired by any interested taxpayer.

The year ended with a surplus of \$65,231.79.

With the expansion of the donated foods program it was necessary to provide additional space so a storage and delivery room downstairs in the Court House was prepared for this operation, therefore removing the donated foods from the County Home all to one point. A full time person with a vehicle now handles the program. With the anticipated relaxation in the eligibility requirements, more families will be eligible to avail themselves of the additional commodities whose variety is increasing. We solicit and urge any town interested in the program arranging for distribution from a central point in their area.

We wish to express our appreciation to our staff of employees, the County Delegation and all others who assisted in the work of the county.

Respectfully submitted,
Asa H. Morgan, Chairman
Raymond K. Perkins, Clerk
Albert M. Ayotte

REPORT OF COUNTY ATTORNEY

The following cases were disposed of by the office of the County Attorney during the period January 1, 1969 through December 31, 1969, in Superior Court: —

Burglary (Including former breaking, entering, and larceny)	56
Embezzlement	1
Narcotics charges, not including misdemeanors	18
Leaving the scene of an accident —	
personal injury	2
Manslaughter, second degree	1
Aggravated assault	4
Reckless driving — death resulting	1
Larceny of a motor vehicle	4
Armed robbery	2
False pretenses (including forgery)	20
Possession of burglar tools	1
Receiving stolen goods	1
Rape	2
	<hr/>
Total	113

In addition, numerous misdemeanors, including non-support cases, were handled in various district and Municipal Courts throughout the County.

Many reciprocal support petitions were handled as initiating State and Receiving State.

Several matters were referred to the Sheriff's Department for investigation and disposition.

Respectfully submitted,
Henry Dowst, Jr.,
County Attorney

SHERIFF'S REPORT

To the Commissioners of Merrimack County:

Gentlemen:

I hereby render my report for services and expense for the Merrimack County Superior Court, from January 1, 1968 to December 31, 1969.

To the County Commissioners:

The year 1969 has been one of quiet expansion and modernization. The old section has now been completely rewired. Each of the patient's rooms now has two outlets plus the overhead light. This accomplished two of our objectives, namely (1) patient safety — the overheating fuses and circuits are gone. (2) Convenience — the extension cords have all disappeared and the Christmas pole effect of the gang plug is gone as well.

The female prisoners being boarded at Hillsborough and then at Belknap County allowed us to remodel the women's detention area. This area now holds two semi-private rooms with a connecting bath. The maintenance department was also kept busy as they turned the women's side dining room into two semi-private and one private room; the men's side dining room was turned into a linen supply room, the nourishment center into a drug control and treatment room. The sterilizer was installed in its location. Several other projects were also completed on the outside. New drain and pump in the parking lot, new feed storage bin in the barn, new piping in the laundry, and the piping wiring and installation of the new ironer in the laundry.

Now before I leave this Nursing Home section of the operation to report on the House of Correction and Farm

operations there have been several other noteworthy events which must be mentioned:

1. The promotion of Mrs. Mary E. Jelley to the position of Assistant Administrator.

2. The completion by Mrs. Gladys Tibbetts of her course from the National Dietetic Association.

3. The installation of a Master T.V. antenna system.

4. The beginning of the new drug control room.

5. This section would not be complete without a word of thanks and appreciation to the members of that staff. Perhaps this is best said in the words of the patients — "You folks don't create a lot of noise or bother, you just show you care for us." So the staff has shown they care not just because it's a job, but for the patients as people. Without faithful employees we could not have had the fine year we did.

The farm program had a fine year. Troubles there were with a very late and wet spring, a shortage of help during the hay harvest and a real wet harvest time. Elsewhere in the report you can read the success story. For the first time in several years we showed cattle in the Hopkinton fair. While we were not able to capture any of the prizes, we did have the chance to show the cattle off.

Under the auspices of the farm we entered a float in the Fair parade and managed to win first prize in that event. Telesphore Veilleux retired after 33 years as herdsman on the farm. He was replaced by Alex Frazer who took over late in the year. The farm produced a large part of our meat supply, and the story of this can be found elsewhere in this report. Congratulations to Mr. Tibbetts, Mr. Lampron and the rest of the farm crew for a job well done.

The jail had a most difficult year. Mr. Theodore Hilyard returned to work early in the year only to be stricken again in October and passed away on November 11th. The many ideas and programs begun by Ted have been carried on by Captains Blake and Nason. At the works at the time of this writing are two training programs, one for the guards and one for the inmates themselves. It is hoped that by the end of 1970 a full rehabilitation program can be started.

I would be remiss if I did not thank Miss Bessie Gray and the

Business and Professional Women's Club for the efforts of this year. The number of patients made this the biggest, hardest, and best party of all. Our thanks are echoed by all those whose holiday was thus brightened.

Finally, my sincere thanks to all the taxpayers for their confidence in our program. I pledge to them our continuing efforts to offer to each of our patients the best possible care that human effort and willingness can produce.

Respectfully submitted,
Robert F. Lethbridge, Superintendent

REPORT OF THE MERRIMACK COUNTY HOME AUXILIARY

The members of the Auxiliary feel they have accomplished many projects helpful to the Home and its residents.

Every week as many residents as possible in our limited time are visited.

Birthdays have been observed each month with cakes and entertainment not only by the Auxiliary but by numerous groups and we wish to express our thanks for their assistance.

The Auxiliary has purchased for the Home, a heavy duty washing machine, two chairs for the beauty parlor and two portable T.V. sets with tables. These purchases were made possible by our booth at the Hopkinton Fair.

On special holidays tray favors have been made also dining room decorations have been prepared and grace the tables in the residents dining room.

Our Christmas Store was held as usual and was much appreciated by the residents.

During the warmer weather as many residents as possible were taken for short rides by Auxiliary members.

Respectfully submitted,
Ora E. Ramsey, President

CATHOLIC CHAPLAIN'S REPORT

Dear Mr. Lethbridge,

It has been a tradition of many years that the priests of St. Paul's Catholic Church, in Franklin, assume the responsibility for the spiritual care of the Catholic patients, at the Merrimack County Nursing Home. On special occasions, such as Christmas and other major feast days, we have held Masses, at the County Home, as well as arranging for the confessions of Polish speaking persons. We continually hear confessions of those who speak French, on our regular visitation, on the last Friday of each month, at which time, we also bring Holy Communion to all who desire it. Other visits are made on the occasion of persons in danger of death. The last sacraments are administered, usually Viaticum, if the patient is conscious and desires it and the Anointing of the sick. We certainly appreciate the cooperation of the many workers, in this Home and we are grateful for their ready courtesy and help.

Thanking you, in the Lord,
Fr. John Edward Pitts,
Pastor

PROTESTANT CHAPLAIN'S REPORT

Services have been held at the Merrimack County Home, Boscawen, New Hampshire, every Sunday throughout the year. The chaplain conducted services twice each month, with the exception of July and August, and he arranged for other clergymen to take the other Sundays of the month.

In addition, he has visited the floors whenever possible. Holy Communion has been observed on the first Sunday of each month, and sometimes taken to residents in their rooms.

It is gratifying to note that it appears residents are receiving more visits from friends and church or civic groups.

It might be helpful from time to time to evaluate the office and service of the chaplain; to consider the needs met, the needs unmet, and how best to program to meet the spiritual needs of all the residents.

Respectfully,
Rev. Oliver C. Northcott
Minister, United Church of Christ

REPORT OF CHIEF OF STAFF

The County Commissioners:

All too soon another year and another decade have passed here at the County Home. The year with its many changes and adjustments and the decade with an entirely different concept of County Home emerging from the 60's. Where once only a few of the residents were bed ridden, now more than 50% of our patients require 24 hour nursing care. The average age is now between 75 and 80 and the census constantly over 210. These patients require many many hours of nursing care by our nurse's aides and orderlies with close medical and nursing supervision.

Our immunization clinics for employees seems to help in two ways — not only do we protect the worker from illness but we do not expose the residents to illness from the employees.

Our professional staff continues to attend refresher courses, clinics, and seminars and to teach nurse's aide courses to train new employees.

The House of Correction and Jail with their much younger ever fluctuating population presents us with all the problems of drugs and illness associated with them.

I wish to thank the medical staff, the commissioners, the superintendent, the matron, and the entire nursing staff for their loyalty, patience and cooperation.

Sincerely,
J. K. McLeod, M.D.
Chief, Medical Staff
